**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a sonic customer for many years. I switched to sonic because they were an upcoming business that had absolutely excellent customer service and I was saving so much compared to who I was with. To have AT&T take away the right of use to the unbundled elements that Sonic needs and also we all lose if there is no competition.

This will increase the price of internet for no just cause. I am begging you to please do not let AT&T get away this.
